

# ELEMENTARY BALLROOM - CHA CHA LINE DANCE

*“Dynamite” by BTS , Jan. 2021*

- Ideally, you have at least 4 lines of 4 dancers each (4x4). Gender and level does not matter.
- Dancers begin on the ground in a ball on their feet, facing front.
- Since you will be doing this on your own and not with all of the other EB schools, we recommend having fun using flashlights.
